Introduction

Early in 1996, at a family gathering, I became aware that I frequently could not explain to my daughter her relationship to many of those present (and those who were not but of whom we were gossiping!) The lines between family and friend, cousin and paesano had become fuzzy. Even though I had grown up surrounded by these people, I was unsure of many relationships. Hence my quest for family information. To date I have added over 1000 members to my database and would appreciate any help anyone could give me in filling in the outline.

Surnames for which I need additional information include: Falasca, Carano, Silvestri, DiIorio, DeFalco, Riccilli, Tisone, Bishotti, (do you see a pattern of Italian surnames developing here?), Izzi, Mastroianni, Labate , Gizzi and of course, Casciato.

The folks from Italy hail from the following cities/towns/villages/provinces: Caroville Campobasso (Carano, DiIorio, Silvestri) ; Pescocostanzo, Provincia L'Aguila, Abruzzi (Casciato); San Pietro, Avellana (Mastroianni); Catanzaro, Provincia Reggio, Calabria (Zito)

A note on the spelling of "Mastroianni." I have several sources listing various spellings. For the most part, I have used the most common spelling, that is, "Mastroianni." Be assured that I have a reference fore each "Mastroianni" listed, regardless of the spelling.

I owe a debt of gratitude to our recently discovered cousin Amilio Casciato who provided the information that linked our two families through eight generations.

I hope some of this information may be of help in your research!

Genealogy.com once hosted personal research pages and all the data contained here was available on that site. Sadly, Genealogy.com has removed those personal pages. If you search the internet you may still find an outline of that data but all links are broken. I have attempting to recreate here the data in a searchable format but much of the information has to be reconstituted. I will continue to update everything as time allows. (And if you find mistakes, please let me know!)

Dedication

This book is dedicated to my daughter, Heather Rose Casciato, whose questions started me on my quest for family information.

Preface

While my name is on the title page, this is a collaborative work. I actually contributed very little. My function was to gather together information from various family sources.

Little of the information found here would have been available to me had not my mother, Mary (Carano) Casciato, been a collector of family memorabilia. Her collection of mass cards, funeral notices, wedding and birth announcements, address books and various newspaper articles provided many of the names, dates and relationships found in this work. Her recollections and explanations of complex family relationships, especially relating to the DiIorio-Silvertri line were invaluable. Thank you mom, I love you and miss you!

Much of the information about the Mastroianni family was collected by Carol Hamilton. Without her work it would have been extremely difficult to pull that family's information together.

My "newly found" cousin, Amilio Casciato, provided not only the information on the descendants of Dionisio Casciato but also discovered the link between Dionisio's descendants and the descendants of Vincenzo Casciato. I've called that link Ancestor Casciato and some day I hope to discover his name.

Many family members have provided me with information and explanations. Over the years I've received cards, phone calls and emails from many of you. I thank all of you for the information (and corrections) that you provided.

Finally, a special thank you to my father, John Lewis Casciato. His assistance in translating old letters and notes written in Italian and assistance in gathering information, and pointing out my mistakes was invaluable. Love you and miss you Dad!

Carlo Riccilli

Raffaele DiIorio was my great, great grandfather. His daughter, Maria (Mary) DiIorio married my great grandfather Pietro Silvestri. According to Mary Jane Carano "Pietro drowned in the Strait of Gibraltar while in the service (for Italy) before his daughter Petrina was born." After Pietro died, Maria married Carlo Riccilli and they had two children, Antonette and Onorata. Unfortunately, I have little information about Carlo Riccilli.

The DiIorio, Riccilli, Silvestri, Carano and Casciato lines are linked through Maria (Mary) DiIorio. The DiIorio, Silvestri, Carano and Casciato family trees and data can be seen in the books *Famaglia Casciato: The Descendants of Raffaele DiIorio*, *Famaglia Casciato: The Descendants of Pietro Silvestri*, *Famiglia Casciato The Descendants of Domenico Carano* and *amaglia Casciato The Descendants of Ancestor Casciato* respectively.
