

# Casciato Married 58 Years

Mr. and Mrs. Vincent Casciato, residents of Alhambra for the past 13 years celebrated their 58th wedding anniversary yesterday.

To commemorate the occasion they are leaving tomorrow for an extended trip to their native land, Italy, which they have not visited for 60 years.

The celebrants will board the Liner Leonardo da Vinci in New York City where they will first be entertained by their nephew and niece, Mr. and Mrs. P. R. Libery of Huntington, Long Island.

In Italy they will stop at Rome, Milan, Florence, Venice and Naples on a conducted tour. Their itinerary includes a visit to their birthplaces, Pesca Costanza and San Pietro Avellana, where they will be greeted by many relatives and friends.

The "bride" and "groom" will fly back to the United States in September, visiting with relatives in Phoenix, Ariz., and Batesville, Ark., before returning to Alhambra.

Mrs. Casciato is an avid gardener, and Mr. Casciato is associated with Vandermast's in Alhambra. The couple, both in their seventies, have five children, seven grandchildren, and seven great-grandchildren.

Fifty guests honored the couple at a Bon Voyage picnic party held at Hollypark in Inglewood.
